Applications:

- Gas-Ex-Zone 2
 NOTE: No Dust-Ex approval like Ex-GSM 01, refer to X.com 5xx
- approval for Europe (ATEX)
- available languages:
menu: Dansk, Deutsch, English, Espanol, Francais, Italiano, Nederlands, Norsk, Polski, Portuguese, Suomi, Svenska, Turkce
manual/safety note: Cesky, Dansk, Deutsch, English, Espanol, Francais, Greek, Italiano, Magyar, Nederlands, Norsk, Polski, Romana, Russian, Suomi, Svenska, Turkce
quick start guide: Deutsch, English, Espanol, Francais, Italiano, Nederlands, Portuguese, Svenska

Special advantages:

- no leather case mandatory
- extremely ruggedized phone
- 2 m drop tested (on concrete): double the height than requested by the standard!
- belt holder included in the standard delivery-package
- USB data cable included in the standard delivery-package
- operatable with gloves due to widely separated buttons
- waterproof and dustproof (IP 67)
- extreme volume (92 dB ringtone-/hands-free-speaker)
- very bright, big display
- very long operational and stand-by time
- vibration alarm
- moderate color, „changeable“ by leather case

Improvements to the previous model (Ex-GSM 01):

- operatable with gloves (widely separated buttons)
- louder
- bigger display
- brighter display
- longer operational and stand-by time
- vibration alarm

Quick tips:

- press right during call: handsfree mode
- press left during call: microphone off
- press side up and down buttons for volume regulation during call
- hold right side button for activation/deactivation of the LED
- press big left side button to access phonebook
- hold 6 to access Bluetooth-menu
- free software downloadable via Sonim’s website, but no Vista-Support yet
